CHILD CASE HISTORY:

Calvin Otondi was born in 2003. He is a child to the late James Otondi who killed as a result of tribal clashes. The mother of Calvin is abnormal has stroke on one of her leg. The Mother lives wherever she desires to live. She got this stroke and abnormality immediately after the dead of her husband. The child was cared by his grandfather who is old and is a well drunker. Calvin started struggling in life because there was no good care on him.

He was referred to our care program as a church by a clan elder. We desired to rescue Calvin's life and took him into our care program on 18th September 2009. He is 11 years old and he is now in grade FIVE this year 2014.

Jesus took the children on His arms, placed His hands on each child and blessed them. We will appreciate if the Lord will touch you and become a sponsor for Calvin in prayer and support.
