CHILD'S CASE HISTORY:

This lovely young boy is 7 years of age. He is in school in Grade 2 this year 2014. Eric was born by a single Mother who was not married. The Mother passed away in 2006 four months after Eric was born due to pneumonia as it was discovered by the Doctor. He did not receive breast milk but he was fed through cow's milk by his grandmother. Eric came up with a difficult life of starvation. The grandmother is old and over age whereby she can't be able to meet the basic needs for Eric.

Eric was referred to our care program by the request of his grandmother. We therefore had a great love and passion for this lovely child and we accepted him and took him into our care program on 7th March 2010. Jesus loved the little children and as whosoever welcomes in Jesus Name such child as Eric, he/she welcome Jesus. It is our request to you friend, if the Lord can speak to you to have passion for Eric in prayer and support.
