CHILD'S CASE HISTORY:

Esther was born in 2006 August. She lost her Mother 2007 one years after she was born. She never recalls how the Mother was like. And also never saw the Father. The Father passed away before Esther was born. Esther is half cast child. When she was left, she was cared by her grandfather who is now very sick and unable to work in the farm.

Esther was referred into our care program by the request of her grandfather. We received the child on 8th September 2009 with a great love. She is 8 years old of age and she is in Grade One this year 2014. May God talk with you friends as you start feeling God's call to become a sponsor to Esther in prayer and support.
