**CHILD'S CASE HISTORY :**

Everlyne Auka joined our care program on 04<sup>TH</sup> April 2010 after her father was killed by robbers while was on the way to his home from God's ministry on December 2009.

The father was one of our pastors and pastoring one of our local churches in our ministry in Kenya. The mother is alive but she was frustrated after the dead of her husband.

We received Everlyne into our care program with love and she is now getting happy and she has a good health. She is 7 years old child. She is now attending at School and she is a bright young girl in level Grade Two.

We invite you friends to pray for and Everlyne may God speak to you for Everyone's life, so you can come into her life as her sponsor. Welcome!!! Any help towards this lovely young Everlyne will be appreciated. God bless you.
