CHILD'S CASE HISTORY:

The above young boy is 7 years old. His Mother left Frank while one year old of Age and she run away to unknown destination in 2008 just as the Country Kenya rocked with post-election violence. No one knew where the Mother is, as from the very day she ran away.

Frank has experienced abuse from another member. Frank didn't have a brother or a sister. He was referred into our Church care program by a neighbor on 14th March 2010. He has some health issue on his eyes that require treatment. He is in Grade two this year 2014. It seems he is behind his grade due to eyes problem.

We request you friends if you will be willing to have a passion to this lovely young boy. And if you can be touched by God to be a blessing sponsor for Frank in prayer and support. We would appreciate your prayers and you are welcome.
