CHILD'S CASE HISTORY:

Moreen Nyanchama is one of the last born lovely ones of the late Agnes, who had been left by their loving mother lonely on January 2008 without anybody to take care of her. Moreen had three siblings whom were left lonely. She was left on January 2008 by her mother while she had 8 Months.

The father of Moreen who is alive is an alcoholic. He stays wherever the alcoholic habit leads him. We ask our father God through His Son Jesus Christ to provide a way for their daily living, schooling and care!!! Through His mercy and Love!!!!

Pastor Ombasa and his wife Rosa, had a great passion for the Child. They took her at their house whereby the Child is under Rosa's care. Moreen is in pre-school this year 2014. We ask the Lord to speak into the hearts of the entire family of God to help sponsor Moreen so she can have balanced diet. Please ask God to use you to be a sponsor of Moreen.
