CHILD'S CASE HISTORY:

Samuel Magembe was born on July 2005. He lost his Mother when he was given birth. The death of his Mother brought a great problem as how Samuel will be cared and grow. A Good Samaritan took care of him by feeding him with a cow's milk. During the Year 2008 post election deadly violence, the Good Samaritan died. Therefore Samuel was left lonely.

The Father of Samuel is so drunk using lot of Alcohol and drugs and doesn't care of a child. This brought a great stress on Samuel's life.

The child was brought to our care program by a neighbor who knew the Mother and we received him on 9th September 2009 into our program. Samuel now seems to be a happy boy and feels comfortable. He is in grade Three in School this year 2014.

We will appreciate your prayers and donation to Samuel's life and Schooling that will help him achieve his Dreams. You are highly welcome as you pray to be used by God to come into Samuel's life.
