CHILD'S CASE HISTORY:

This precious young boy is in grade TWO this year 2014 and was born in 2007 December. He is William by name. Both parents passed away as a result of a tribal war that erupted the Kenyan Nation in 2008. The Father passed away in 2008 January and the Mother also passed away in 2008 March.

William's younger brother is cared by a grandmother. William was brought into our care program on 11th September 2009. We received him with love and with a willing heart and we took him into our care program. William is now happy and can smile and play with other children.

It is our request if you can be willing to pick him and become the sponsor of this beloved young boy in prayer and support. Hoping God will lead you friend into the life of William.
