

LISTS OF ROMAN EMPERORS

The Roman Historian Tacitus in his history, *The Annals*, begins his list of Roman emperors with Augustus Caesar (Octavian), but the Roman Historian Suetonius begins his list of Roman Emperors in *Lives of the Twelve Caesars* with Julius Caesar as the first of the Roman Emperors as does Dio Cassius in his *Roman History* and Josephus in his *Antiquities of the Jews*. There were, therefore, two official lists in use in the first century AD.
